Scan to open

The first time

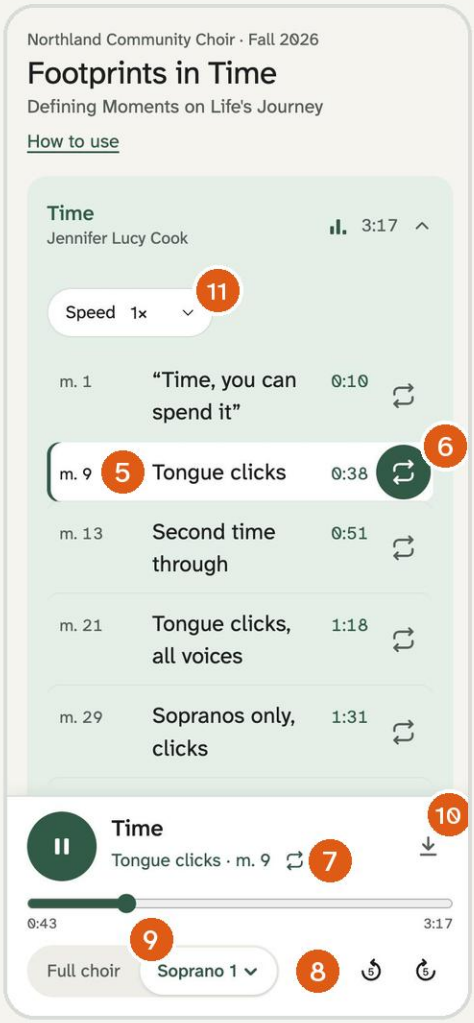

1. Tap Choose my part at the bottom and pick the part you sing. The page remembers it.
2. Tap a piece to see its sections. Tap it again to close it.
3. Press the round play button to play the piece.
4. How to use opens this guide any time.

Put it on your home screen

iPhone: in Safari, tap Share, then Add to Home Screen.

Android: in Chrome, tap the three dots, then Add to Home screen or Install app.

Practicing

5. Tap a section to play from there.
6. Tap the repeat icon next to a section to play it over and over. Tap it again to stop.
7. While a section repeats, this icon shows in the player. Tapping it also stops it.
8. Skip back or ahead 5 seconds.
9. Switch between the full choir and your part, starting from the same section.
10. Save the music on your phone to practice without internet.
11. Change the pace. The pitch stays the same.
