Scan to open

The first time

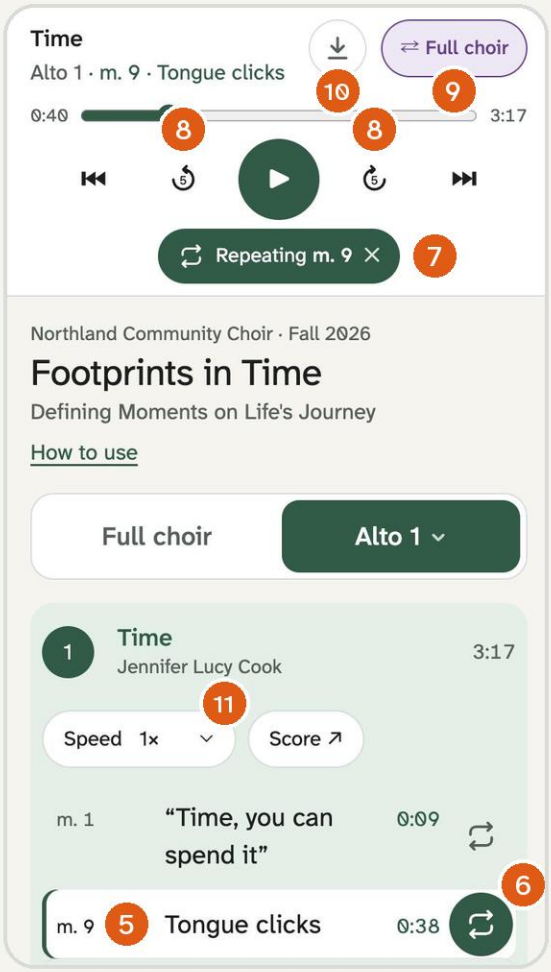

1. Tap Choose my part and pick the part you sing. The page remembers it.
2. Tap a piece to open it and see its sections.
3. Press the big play button to play the open piece.
4. How to use opens this guide any time.

Put it on your home screen

iPhone: in Safari, tap Share, then Add to Home Screen.

Android: in Chrome, tap the three dots, then Add to Home screen or Install app.

Practicing

5. Tap a section to play from there.
6. Tap the repeat icon next to a section to hear it over and over.
7. Tap the Repeating bubble to stop repeating.
8. Skip back or ahead 5 seconds. The outer buttons go to the start, or to the next piece.
9. Switch between the full choir and your part, at the same spot.
10. Save the music on your phone to practice without internet.
11. Slow a piece down. The pitch stays the same.
